5) The post of Vice-Chancellor, University of Mysore, is vacant since 1.11.48 on which date Janab Sultan Mohiyuddin proceeded on combined leave preparatory to retirement from service on 12.6.49, and Sri R. Kasturiraj Chetty, Director of Public Instruction, is placed in charge of the current duties of the Vice-Chancellor in addition to his own.

6) Sri Kasturiraj Chetty makes the following two requests:-

Representation of Sri A. Rasiviraj Chetty

[App. F

(1) That he may be treated as Offg. Chancellor from 4th Nov. 1948 to 11th June 1949 when Janab Sultan Mohiyuddin was on Combined leave; and

(2) That he may be confirmed as Vice-Chancellor from 12th June 1949 on which date the post of Vice-Chancellor became substantively vacant.

7) Rs(1):- For the additional charge of Vice-Chancellor held by him, Sri Rasiviraj Chetty is permitted to draw a Charge allowance of Rs. 175/- p.m.

8) There seems to be no objection, from an accounts point of view, to grant an acting allowance to the officer, if the Govt. deem it fit, instead of the Charge allowance that is sanctioned at present so long as he is looking after the duties of the Vice-Chancellor. This would enable the Officer to draw an increased allowance at the rate of Rs. 350/- p.m. being one-fifth of Rs. 1750/- which has been taken as the pay of the appointment of Vice-Chancellor for purposes of calculating the Charge allowance. This would not, technically, give the officer any claim for permanent promotion and the acting arrangement would be terminable as soon as the place of Vice-Chancellor is permanently filled up. The appointment of Sri Rasiviraj Chetty as Offg. Vice-Chancellor does not seem to affect prejudicially the interests of any other Officer.

9) Re: (2).- No proposals have so far been received or worked up in this Branch for filling up permanently the vacant post of Vice-Chancellor, and the subject has not been included in the Council agenda. It is not known whether the newly-appointed Pro-Chancellor has to be consulted in the matter, after he takes charge.

10) Points for orders :-

1) To treat Sri R. Kasturiraj Chetty as Offg. Vice-Chancellor from 4th Novr. 1948 till 12.6.49;

2) To Confirm Sri Kasturiraj Chetty as Vice-Chancellor from 12.6.49 or to continue him as Offg. Vice-Chancellor till the date of relief of the additional charge.

11) This is Council matter.

5.10.49. Consequent on the grant of combined leave of absence from 1-11-48 to 12-6-49 to Janab H. Sultan Mohiyuddin, Vice-Chancellor, Mysore University, preparatory to retirement from Service at the end of the leave, Sri R. Kasturiraj Chetty, Director of Public Instruction, was placed in addl. charge of the duties of the Vice-Chancellor. As In-charge Vice-Chancellor, the following concessions were granted to Sri Kasturiraj Chetty :-

(1) A charge allowance at Rs 175/- pm for the period of addl. charge;

(2) The following rates of Travelling allowance :-

(3) Permission to draw mileage under Art. 473 (f) of the M. S. R. for the journeys performed by him between Mysore and Bangalore.

The vacancy ~~caused by~~ of Vice-Chancellor, caused by the grant of leave to Janab Sultan Mohiyuddin admits of acting arrangements being made against it. In case Sri Kasturiraj Chetty is appointed ag. Vice-Chancellor, he will be entitled to draw ag. allowance at Rs 350/- pm. being one-fifth of Rs 1750/- which has been taken as the pay of the appointment of Vice-Chancellor for purposes of calculating charge allowance, as against the charge allowance of Rs 175/- pm which he is at present drawing. He will, however, continue to enjoy the other concessions referred to above. In case Sri Kasturiraj Chetty is appointed as officiating Vice-Chancellor, it cannot, however, give him any claim for permanent promotion and his acting appointment ceases pm

the date another officer is made permanent in that vacancy. It may also be stated that this appointment as Offg. Vice-Chancellor will not affect the interests of any other officer.

In the above circumstances and ~~[illegible]~~ the request of Sri Kasturiraj Chetty to treat him as Offg. from 4th Nov. 1948, and to permit him to draw an Ag. allowance at Rs 350/- p.m. may perhaps be complied with. This is council matter.

Regarding his confirmation as Vice-Chancellor, it appears better to obtain the wishes of the newly appointed Pro-Chancellor, after he assumes charge of the appointment.

UNIVERSITY OF MYSORE

Sri R. Kasturi Raj Chetty
Vice-Chancellor

MYSORE
Dated, 11th August 1949.

My Dear Sir,

As you know I have so far never spoken about myself, my work and my case even to you who have been ever so considerate and good to me. But the time has come when I have to deviate from my principle and I am doing so with considerable constraint.

It is nearly ten months since the Government were pleased to place me in charge of the University in addition to my duties as Director of Public Instruction. In addition to visits to and inspection of colleges, conducting meetings of the Standing, Finance and other Committees of the University, I have so far conducted a meeting of the Academic Council, three meetings of the Senate and thirteen of the University Council. Further as Vice-Chancellor I am the Chairman of the Sri Krishnarajendra Silver Jubilee Technological Institute and Sri Jayachamarajendra Occupational Institute and of the Engineering School which involves onerous additional duties.

While the meetings of the Senate, as the Government is aware, used to be stormy, I have been fortunate to secure, at my meetings, harmony and cordiality and the cooperation of all the sections of the House. Despite divergence of views, the University Council can be called now a happy home. And on vital and important questions I have succeeded in taking them with me. At the beginning of my Vice-Chancellorship I was, no doubt received with certain amount of suspicion in some quarters of the University Circles but very soon suspicion gave place to confidence and regard even where the seniormost Professors and Principals are concerned. As you are aware, Sir, before I took charge, the

the University atmosphere was tainted with suspicion, insecurity and dissatisfaction. I have succeeded in inducing a feeling of justice and fair treatment and I shall be soon submitting proposals which will help to raise the tone of the University higher.

It was a sad feature of our expansion that the new Intermediate Colleges of Science started and continued, despite the liberal grants provided by Government, without even a test tube. The practical work of these colleges had to be conducted during summer holidays in the older colleges. Within a few months of my assuming charge, I took steps to ensure that all these colleges had the requisite equipment. And with your help I was able to provide additional accommodation required for the opening of the higher classes and the holding of the science practical classes to most of the colleges. Arrangements have been made to fit up the laboratories in these colleges. You are painfully aware that the students of the Maharani's College, Bangalore, are trekking every day to the men's colleges for their science work and that this arrangement fraught, though it is, with inconvenience, difficulties and dangers has been going on all these years since the inception of the college. As it was imperative to end this unsatisfactory arrangement I secured, even before Government approval could be obtained, equipment at a cost of Rs:30,000/- before the end of June last. And the laboratories are being fitted up in a portion of the new block and the students of the Intermediate classes at least will soon have their science work in their own college.

This has been an eventful period in my life and if I may say, in that of the University. The Indian Academy

Academy of Sciences held their Session in Bangalore last December, and I had the privilege of addressing them. The All India Educational Conference held also in December entailed no little work and thought. Then came the visit of the Indian Medical Council. This was followed by the visit of the Universities Commission. I was able to create a good impression of our University and I believe I gained their goodwill and esteem. It is not necessary to stress on the work covering six months involved in connection with Dr. C.R. Reddy's investigation into Secondary and University Education in the State. The help that I was able to render, he has acknowledged in handsome terms. The crowning event has been the Special Convocation at which I had the unique privilege of presenting Pandit Nehru, Prime Minister, National Hero, Greatest World Figure and Statesman of the time for doctorate. This has been and will ever remain the supremest moment of my life.

All this work, I have shouldered even without a Registrar in addition to my very heavy and responsible work as the Head of the Department of Public Instruction. (The Registrar was posted recently). It is for the first time in the history of the Department and the University that both the offices for a period of ten months have been combined in one incumbent. And I am thankful to you and the other members of the Government for the confidence thus shown and the recognition thus accorded and to request that I may be treated as officiating since 4th November 1948 till 12th June 1949 and confirmed as Vice-Chancellor from 12th June 1949 when the vacancy became permanent on the retirement of Janab M. Sultan Mohiyuddin.

I have herewith enclosed a statement showing the meetings conducted by me as Vice-Chancellor. I have had to conduct

P.T.O.

conduct almost an equal number of meetings as Director of Public Instruction.

Yours sincerely,

Sd. R. Kasturi Raj Chetty.
